

Dear Participant,

Thank you for taking the time to participate in this interview. Here are some questions that you can be expected to be asked during the course of the interview. (Please note that these questions are subject to change. These questions are just a rough guide)

1. How long have you been in Singapore?
2. Where are you originally from?
3. What is your current occupation?
4. How would you consider your current situation in Singapore?
5. Describe how your lifestyle has changed since moving to Singapore from your home country.
6. Briefly compare some cultural differences between Singapore and your home country. Have you had any difficulties addressing these problems?
7. Have you managed to assimilate well into the local society or do you lean more towards people from your home country?
8. Would you consider Singapore to be an overpriced city to live in?
9. Would you recommend Singapore as a place to work/live to other foreign expats? Why or why not?
10. Would you consider living the rest of your life in Singapore? Why or why not?

The whole interview process will take approximately 30 minutes.

As spoken, we will record the interview with the aid of a voice recorder. No cameras will be used in the process. Please also note that the voice recording is strictly confidential and will not be distributed to any other party. The content is strictly for the purpose of research.

Once again, thank you for your time in taking part in this interview.

Best Wishes,
